

# Dawn Williams Pulihwiye

## Environment

Protecting our lands, waters, and natural resources for generations to come.

## Community Safety

Ensuring all aspects of community safety remain a priority.

## Employment & Education

Pathways to opportunities, employment, education, and growth for all TFN members.

## My Experience

I have been a TFN employee for over 28 years and currently work in the Recreation and Elders Department. I also served as an Advisory Council member from 2016-2022 and I sit on the Housing Advisory Committee since 2022, often chairing these meetings. Elected on the current TFN Legislature for the past four years has been a privilege and being asked to be acting Squigel during a session was a very meaningful experience. I carry my ancestral name with pride and respect and I bring those values to the table along with compassion, calmness, strength, and commitment. I play an active part of the community attending and participating in many events and meetings allowing me to listen, learn, connect, and stay engaged with members to be their voice during Legislative Sessions. I believe all areas of our Government, programs, and services are important, I highlighted a few above that I would like to continue advocating for. I am available to discuss further and hear any of your comments or concerns.

## **A Little About Me**

I am a proud mom to three amazing children; Damien, Lucas, and Summer. I am very grateful to have grown up in my community and raise my children here. I am also proud of the generations that came before me and the strong foundations that they have built. My great grandparents are August Williams and Bertha Point (Musqueam), my grandparents are Harold and Dorothy (Chemainus), and my parents are Bertha and Doug (North Vancouver). I have three siblings; Angie (Kris), Robert (Opal), and Tatum (Dan). Connections are the heart of who I am. I value time spent with family and friends, building relationships and bringing people together. Volunteering and supporting others is a big part of my life. When we can come together and give back, we create something truly meaningful. I not only support and contribute in our community but to our surrounding communities as well. For 10 years, my family and community came together to raise funds for Delta Hospital & Community Health Foundation in memory of my late dad. In my free time, I enjoy walking, reading, health and fitness, road trips, and beautiful sunsets!

**UNITY**

**HEALTH**

**CULTURE**

**Thank you for your continued support and for the opportunity to be a voice for our members. I am very honoured and committed to serve, listen, advocate, and work together to build a strong future for our community.**
