FOR CHIEF

EXPERIENCED LEADERSHIP. A
STRONG VOICE. STABILITY FOR TFN

I am deeply humbled and grateful to have been elected Chief and most importantly, to have earned the trust and support of our Members. When Members asked me to seek another term, I took that request seriously.

For more than 21 years, I have had the privilege of serving on Council, including four years as Chief, and 20 years working for TFN. As a proud mother of four and grandmother of five, I am deeply connected to Tsawwassen First Nation, our values, our culture and our people.

- Strengthen relationships with other First Nations
- Build relationships with all levels of government
- Keep Members' voices at heart of every decision

LEADERSHIP AT A CRITICAL TIME

With two major projects being considered on our front doorstep, I will continue to stand by our community and support how Members want these projects handled. I have recruited a strong executive team and brought in external advisers who will help TFN respond. Consistency, experience and stable leadership will be especially important during this critical time.

CONTINUING THE WORK WE STARTED

I am committed to listening, advocating and building a strong healthy and successful future for all TFN Members.
