MY COMMITMENT TO OUR MEMBERS

“*My journey in leadership is grounded in listening, learning and taking action.*”

I have spent decades advocating for policies and programs that strengthen our Nation and support our people. I will continue to work with heart, humility and honesty for the well-being of our Members now and for generations to come.

MY PRIORITIES

- Promoting education and improving support for academic success
- Creating programs that help Members access senior positions within TFN
- Supporting economic growth and ensuring it is reflected in Member distributions
- Strengthening our culture and community
- Improving access to affordable housing
- Increasing drug awareness and continuing recovery programs
- Improving access to financial advice for Members
- Strengthening communication, services and government transparency

CONTINUING TO BE A VOICE FOR OUR MEMBERS

Being a voice for our Members has been my greatest honour and I would be very proud to continue this work in our next election on October 17, 2026.
