About TAYLOR BAKER

Deep Roots I am a proud Tsawwassen First Nation Member of the Williams family, born and raised on Tsawwassen First Nation Lands. Daughter to Michelle Baker (Williams); granddaughter to Joanne Williams and the late Wally Williams, great-granddaughter to Dorothy (Rice) and Harold Williams; great-great-granddaughter to Bertha Williams (Point) and August Williams.

Rooted in Tradition TFN Executive Councillor, commercial crabber, fisher and mother to Eve.

Proven Leadership First elected to Executive Council and Legislature at 26 years old in 2022. Dedicated to transparent, accountable governance for our Members.

Education & Experience I hold a Bachelor of Arts in Politics from Acadia University and I have served TFN in both Economic Development and Policy & Intergovernmental Affairs. My experience also includes serving on the TFN Housing Advisory Committee, the TFN Həleləm Collective Board, and the B.C. Speaker's Indigenous Reconciliation Advisory Committee at the B.C. Legislative Assembly.

ACTIONS THIS TERM

Delivered direct results through active listening and engagement with Members, bringing key resolutions to the Legislature table:

Member Supports: Initiated reviews of HSS policies and Member programs to improve access and support. Brought forward a resolution advocating for higher quarterly Member distributions to help families manage rising living costs.

Economic Growth: Pushed to acquire additional commercial crab licenses for Member leasing opportunities, opening direct pathways for crabbers to generate sustainable income for their families.

Safety & Culture: Initiated updates to the TFN Community Safety and Security Act to strengthen Member safety on Lands. Brought forward the resolution to create a TFN history book and advocated contracting Members to lead harvesting workshops, preserving traditional knowledge while investing directly in our Members.
